

Exhibit 3 – Facilities Information

Pedaling for Parkinson's

Indoor Stationary Cycling for People with Parkinson's

Please complete the form below for each facility you intend to host a PFP class.

Information from this form will be used to help people nearby find your facility. It's important to provide accurate and complete details.

Facility Name should be the recognizable and most common name of the facility hosting your Pedaling for Parkinson's class. For example, include the branch name of your YMCA, if applicable. Please complete a separate form for each facility location, if applicable

The address is very important. We use a geo-location system to match your facility to the radius within the users search. Accurate address information will certainly help ensure folks can find you. Abbreviated address information is fine, following common conventions: ALL CAPS, no punctuation, and two-letter state names.

Please include the name and contact information for the person most familiar with your program such that interested participants can get the best answer to questions.

email address, website URL, and phone number should be associated with the facility, if possible.

Indicate your class schedule using common day abbreviations: M - Monday, T - Tuesday, W - Wednesday, Th - Thursday, F - Fri, Sa - Saturday, and Su - Sun. Time should be just the start of each class. For example: M W F 10:30am, or T 9:30am, Th 1:00pm, Sa 10:00am.

Thanks for hosting Pedaling for Parkinson's and good luck with your class! Please let me know if you have any questions or if I can provide any assistance
